WHO Specific training tools for EBOLA:

WHO PoE EVD training toolkits

- Ebola Management at Points of Entry
(<https://extranet.who.int/ihr/training/course/index.php?categoryid=28>)

- Ebola Exit Screening at Ports, Airports and Land Crossings
(<https://extranet.who.int/ihr/training/course/index.php?categoryid=28>)

If you access for the first time the WHO Health Security e-learning platform, please create your account (ADS account) as follows:

Step 1 – Go to this page: <https://extranet.who.int/ads/adswebinterface/create.aspx>

Step 2 – Enter your e-mail address and click "Continue"

Step 3 – Fill in the form and click "Continue"

Step 4 - Your request for an ADS account has been recorded and a confirmation message will be sent to your e-mail address shortly. Please follow the instructions in the confirmation message to activate your ADS account. Your ADS Account will not be valid until it is activated.

Make sure to store your username and password in a place where you can easily retrieve it.

Step 5 - When your account is created, you can access the Ebola PoE online module at the following address:

<https://extranet.who.int/ihr/training/course/index.php?categoryid=28>

Should you have any questions or problems accessing the site, please contact ihrhrt@who.int

A - EVD online self-learning modules hosted on Health Security Learning Platform:

Ebola Event Management at Points of Entry

Languages: EN (October), Portuguese (October), French (it should be released in December)

<https://extranet.who.int/ihr/training/course/category.php?id=28>

Ebola Exit Screening at Airports, Ports and Land Crossings

<https://extranet.who.int/ihr/training/>

B - EVD training packages hosted on Health Security Learning Platform:

EVD Preparedness from WHO Regional Office for Africa

Language: EN (November)

<https://extranet.who.int/ihr/training/course/view.php?id=100>

Community Health Volunteers Training on EBOLA Flipbook and IPC

Language: EN (November)

<https://extranet.who.int/ihr/training/course/view.php?id=100>

Ebola Virus Disease: Providing Safe Care in the Community

Language: EN (November)

<https://extranet.who.int/ihr/training/course/view.php?id=100>
