Subject: Invitation to the Eighth Meeting of the Collaborative Arrangement for the Prevention and Management of Public Health Events in Civil Aviation Asia Pacific (CAPSCA-AP/08) and the Sixth Meeting of the CAPSCA Global Programme Coordination (CAPSCA GLOBAL/06) (Bangkok, Thailand, 15 – 18 November 2016)

Action required: Please reply no later than 21 October 2016

Sir/Madam,

I have the pleasure in inviting your State/Administration/Organization to attend the Eighth Meeting of the Collaborative Arrangement for the Prevention and Management of Public Health Events in Civil Aviation Asia Pacific (CAPSCA-AP/08) and the Sixth Meeting of the CAPSCA Global Programme Coordination (CAPSCA GLOBAL/06), which will be held in Bangkok, Thailand from 15 – 18 November 2016. The meeting has been organized in collaboration with the World Health Organization (WHO) and is hosted by the ICAO Asia and Pacific Office.

Your Administration/Organization is kindly invited to participate in this meeting. It is strongly recommended that your delegation to the meeting includes *Officers from Civil Aviation Regulatory Authorities, Public Health Authorities, Airports, Airlines, Air Navigation Service Providers and other Stakeholders* who have an interest in preparedness planning in the aviation sector in the Asia Pacific region and Globally. Accordingly, please forward this invitation to the relevant Stakeholders.

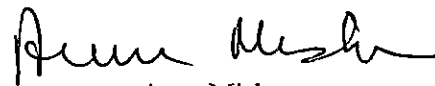

CAPSCA is a global, collaborative arrangement between International Organizations, including ACI, IATA, ICAO, UNWTO, WFP, WHO, etc. It aims to improve the preparedness planning of States for managing public health emergencies involving the aviation sector. The 8th CAPSCA-AP Meeting and the 6th CAPSCA Global Programme Coordination Meeting aims to build upon this success by bringing together, aviation and public health sector stakeholders, to facilitate further collaboration to mitigate the risks from public health emergencies or potential emergencies that can arise from communicable diseases that can affect human health and disrupt aviation. For instance, recent outbreaks of Zika Virus and avian influenza indicate the Asia-Pacific region remains very sensitive to possible emergence of novel infectious agents. Further information on the CAPSCA programme objectives is available on the CAPSCA Website: www.capsca.org.

To date, twenty-one States from the Asia-Pacific region have enrolled in the CAPSCA Asia-Pacific Programme and we are strongly encouraging others to join. There is no membership fee and States can join simply by expressing their wish to join CAPSCA addressed to this office, attention of Dr. Punya Raj Shakya, CAPSCA Asia-Pacific Regional Coordinator (pshakya@icao.int).

In addition to providing seminars and workshops on preparedness planning in the aviation sector, CAPSCA also arranges 'assistance visits' (AV) to States and their international airports on a cost recovery basis. These visits by a team of aviation and public health experts (called Technical Advisors) facilitate local training for aviation and public health officers and improvements/developments of preparedness plans. The CAPSCA meeting will also address experiences, methodology and guidelines for CAPSCA State and airport assistance visits as well as measures to strengthen communications and coordination between public health institutions and the aviation sector.

Included for your action are the Provisional Agenda of the meeting (Attachment A), the Attendance Notification Form (Attachment B) and the Bulletin (Attachment C). Should your State/Administration/Organization wish to submit a discussion paper, provide a CAPSCA related presentation or share your experiences with the Meeting, please advise us as soon as possible to enable its inclusion in the agenda/programme. In order to facilitate the necessary administrative arrangements, you are requested to complete the Attendance Notification Form and submit to the ICAO Asia and Pacific Office by fax: +662 537-8199 or email: APAC@icao.int no later than **21 October 2016**.

Accept Sir/Madam, the assurances of my highest consideration.

Arun Mishra

MEETING BULLETIN

1. Schedule of Meeting

1.1 The opening session of the meeting will be held at 0900 hours on **Tuesday, 15 November 2016** at the Conference Building of the ICAO Regional Office, Bangkok.

1.2 Participants can access draft programme of the meeting from the website of CAPSCA Asia Pacific: <http://www.capsca.org/AsiaPacEventsRefs.html>

2. Registration of participants

2.1 Participants are requested to register at the Registration Desk in the front of the ICAO Conference Room between 0800 and 0900 hours on the opening day of the Meeting. Participants are also requested to wear the identification badge all the time inside the ICAO premises.

3. Focal Point of Contact for the Meeting

3.1 Dr. Punya Raj Shakya, Regional Officer, Technical Assistance, of the ICAO Asia and Pacific Office will be the focal point of the Meeting. His contact address is as follows:

Tel: +66 (2) 537-8189 to 97 Ext. 32
Fax: +66 (2) 537-8199
E-mail: pshakya@icao.int

3.2 The daily meeting service is the responsibility of Ms. Chananphorn Sakdanuphap, Administrative Associate, who will provide secretarial and administrative support.

3.3 Please be informed that complimentary lunch and 2 coffee breaks per day will be provided to all participants during the Meeting.

4. Location of the ICAO Regional Office and hotel accommodation

4.1 The ICAO Regional Office is located at 252/1 Vibhavadi Rangsit Road, Ladyao, Chatuchak, Bangkok next to the Petroleum Authority of Thailand (PTT) Headquarters and opposite the Centara Grand Bangkok Hotel. It is about 40 km away from the Bangkok/Suvarnabhumi International Airport and about 12 km. from the Sukhumvit Road, where most of the recommended hotels are located. Location of the Regional Office and the route map of the Bangkok Mass Transit System (BTS, also known as the Skytrain) and MRTA Sub-way system (the Underground Metro) are published in the APAC website <http://www.icao.int/apac/> under the heading “**Information for Visitors**”.

4.2 The nearest BTS (Skytrain) station to the Office is Mo Chit and the nearest MRT station to the Office is Phahon Yothin. Detailed routing instructions are provided on the web site.

4.3 Participants may contact the hotels listed directly by telephone/fax/e-mail for reservation. Due to heavy demand for hotel accommodation reservations should be made as early as possible.

4.4 Participants are requested to make their own arrangements for transportation from the airport to the city and from their hotels to the venue of the meeting.

4.4.1 Airport Taxi Services operate private limousine services from the airport to downtown Bangkok, at about Baht 1,000 per vehicle. Public taxi service is also available at the taxi stands at the airport. In addition to the fare indicated in the taximeter, 50 Baht surcharge is required to be paid for hiring a taxi from airport to city. The Bangkok Mass Transit Authority operates Airport Bus service to the city centre.

4.4.2 When departing, the hotel can arrange for transportation to the airport. Public taxis, which are less expensive than hotel taxis, are also available. Most taxis have a fare meter.

5. Passport, visa and customs

5.1 All foreign nationals entering Thailand must possess valid passports or other valid documents for travel. Participants from certain countries are not required to obtain visas for a temporary visit not exceeding 15 days. It should, however, be noted that the temporary visas issued upon arrival at the Airport cannot be extended beyond the period of 15 days except under extraordinary circumstances. It is, therefore, suggested that all participants consider obtaining official visas from the Royal Thai Embassy or Consulate prior to their arrival in Thailand. Participants may wish to obtain information on entry requirements by accessing the web page <http://www.mfa.go.th/main/en/services/123>

5.2 International certificates of vaccination against yellow fever are required if arriving within 6 days after leaving or transiting an infected area.

5.3 There are no restrictions on import of foreign currency. However, if the amount exceeds US\$10,000 it must be declared on entry. Foreign currencies may be taken out of the country up to the amount imported and declared. (Current exchange rate US\$1 = Baht 36.00 approx).

6. Other Useful Information

6.1 Time in Thailand is 7 hours ahead of Co-ordinated Universal Time (UTC+7).

6.2 International credit cards such as American Express, Diners Club, Visa, Master Card, etc. are normally accepted at major hotels and department stores.

6.3 All commercial banks exchange major foreign currencies and are open from 0830 to 1530 hours from Monday through Friday and some keep the foreign exchange counter open until 2000 hours during weekdays. Foreign exchange counters operated by various commercial banks are located at several places in the city and are also open during Saturdays and Sundays and on public holidays from 1000 to 2000 hours. To change travellers' cheques you are required to show your passport.

6.4 Weather in Bangkok is generally hot with high humidity. In November, temperatures generally settle between 24°C and 31°C. More weather information can be obtained from the website of the Thai Meteorological Department: <http://www.tmd.go.th/en/>.

6.5 Most hotels add a 10% service charge to the room rate in addition to the government tax of 7%. Baggage boys at hotel expect at least Baht 20. At restaurants, a tip of about 10% is expected unless a service charge has been added to the bill.

6.6 Although the tap water in Bangkok is chemically treated, it is, however, recommended that participants drink only bottled water and beverages.
